

MADE IN AMERICA BY AMERICANS

Royal Arms International, Inc was established in 1984 as manufacturer of specialized Tactical Breaching, Hostage Rescue and CQB Anti Terrorist equipment for Law Enforcement, Military & Government Agencies worldwide. Our products are manufactured using the highest quality alloys and state of the art manufacturing techniques. The result is a superior product with enhanced technical capabilities. Through our ongoing research and development Royal Arms offers law enforcement and military personnel the ultimate tactical advantage in the field.

OUR PRODUCTS ARE BACKED BY AN UNCONDITIONAL LIFETIME WARRANTY THAT ARE ALSO 100% PROUDLY MADE IN THE USA.

ROYAL ARMS is the original inventor, as well as oldest manufacturer of the "Breaching Stand-Off Device", "12 Gauge Breaching Shotgun", "Copper & Clay Frangible Breaching Rounds", "12 Gauge Flash Bang Muzzle Blast", "FBG-MkII Impact detonated Flash Bnag device" "Rebar Cutter Round", "MK54II Dual Shock Tube Initiator" and many other breaching products.

Royal Arms has more experience and expertise in "SHOTGUN BREACHING" than any other manufacture or competitor. Royal Arms is the oldest "LAW ENFORCEMENT TRAINERS AND ADVISORS" in the U.S.A. furthermore Royal Arms is the only company to offer a FREE comprehensive "ballistic breaching training program" to help get you started.

Royal Arms believes in American industry so strongly that when presented with the possibility of outsourcing our products, labor, and materials to China, India or Mexico, Royal Arms has declined these money saving procedures. Instead, we invested in our infrastructure by acquiring a 10,000 square foot facility located in Oxnard, CA to better serve our customer needs and to support the manufacturing in the United States. While other companies are outsourcing their jobs and raising prices, Royal Arms is finding new ways to be more efficient and reduce our manufacturing costs. Royal Arms principals are founded on making quality products at fair prices, being loyal to our customers and listening to their needs.

Royal Arms mission is to manufacture the absolute best Tactical Gear for Law Enforcement and Military personnel with the ultimate tactical advantage in the field for all operators and at a reasonable price.

Royal Arms will always be 100% USA made, with USA material and USA ingenuity. We don't just say we make it, we actual do. We encourage you to stop by our shop and see for your self American pride in manufacturing and American Ingenuity at work.

**Royal Arms is Veteran Owned and Operated.
God Bless America and our Troops.**
